WHO WE ARE

LSC Interiors is a UAE-based commercial interior design, fit-out, design + execution and selected construction company established in **2007**.

We connect business needs, project-specific design, technical coordination and controlled execution to turn approved intent into built results.

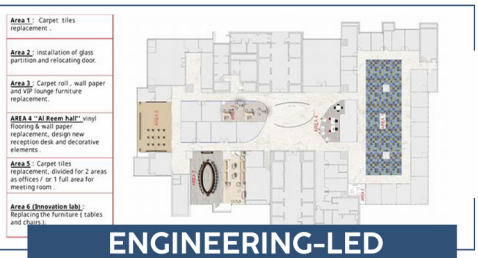

Business Need > DESIGN > TECHNICAL COORDINATION > EXECUTION > BUILT RESULT

LSC
INTERIORS • FIT OUT • CONSTRUCTION

UAE
Established 2007
Engineering / Project Management-led delivery

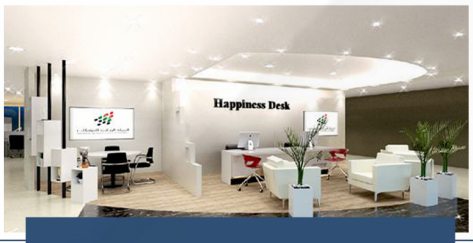

PURPOSE-LED DESIGN... ENGINEERING-LED EXECUTION

WHY LSC

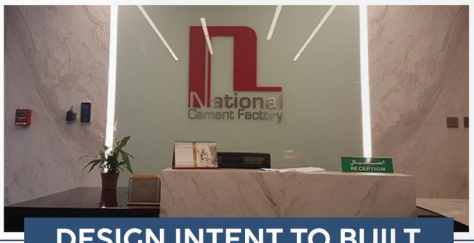

ENGINEERING-LED EXECUTION

Design decisions carried through with engineering discipline

PURPOSE-LED DESIGN

Designed around what your space needs to achieve

DESIGN INTENT TO BUILT RESULT

What you approve in design stays connected to what gets built

SCOPE CLARITY BEFORE COST

Clear scope, references and responsibilities before commercial commitment

QUALITY WITH EVIDENCE

Inspected. Documented. Corrected. Closed

CONTROLLED CHANGES & PROJECT CONTROL

Changes, responsibilities and project decisions are documented and traceable

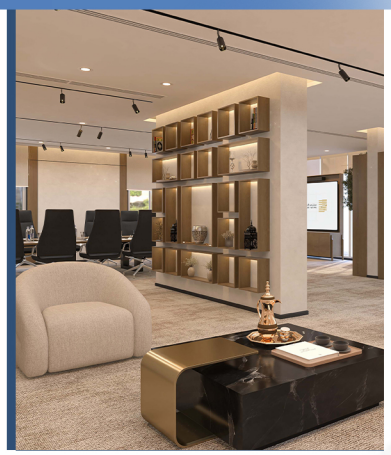

RESPONSIBILITY BEYOND HANDOVER

Project-specific workmanship warranty and a clear support route after handover
